Prière

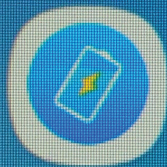

Mon Dieu, merci de nous avoir donné le don de l'intelligence qui a permis d'inventer des outils merveilleux tels que l'ordinateur et internet.

Esprit Saint, fais que nous sachions discerner, lors de l'usage de ces outils, les applications malveillantes de celles qui font progresser l'humanité.

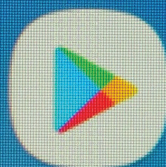

Veille à ce que nos enfants et petits-enfants en fassent le meilleur usage pour eux-mêmes et les autres.

Seigneur Jésus, nous te prions de veiller sur nous afin que nous sachions faire grandir ton amour.
